MLS® #202517703

\$75,000

0 Bedroom, 0.00 Bathroom, 750 sqft

Single Family on 0.10 Acres

Yarmouth, Yarmouth, Nova Scotia

This property is a true diamond in the rough. Once a four-bedroom, one-bathroom home, it now presents a rare opportunity for those with vision and ambition. While the structure is not safe to enter and is being sold strictly as is, where is, the solid foundation and prime location make it worth a second look. Already hooked up to municipal water and sewer, this lot is just a short walk to downtown Yarmouth, local shops, the golf course, the waterfront, and scenic walking trails. Whether you're looking to restore its former charm or build something entirely new, this property offers the blank canvas you've been waiting for with the convenience of town amenities already in place. The potential is here. You just have to bring the vision. (id:6289)
