Single Family

N/A, Whitefish, Ontario

Located in a quiet, private area of Lake Penage, a gorgeous off-grid property with stunning lake views from all levels. Built in 2011, it's fully insulated and heated by a wood stove and powered by an affordable solar system with a backup 3000 watts Honda generator. It is modern, open concept. The living/dining and kitchen area are 2 story and have passive heating from extensive windows. Kitchen features an island and loads of cupboards and counters. The primary bedroom is on the main floor. The two bedrooms on upper level have great lake views as well. The 3 piece bath comes with shower, large vanity and toilet. The composting unit is in a totally separate building. Across the spacious deck is a large cedar barrel sauna with change room (as is). The spacious screened gazebo is a bug free oasis. Great for playing games, cards or just relaxing with the sunset and lake views. The extensive decking overlooking the lake allows for amazing outdoor living. The outbuildings provide ample storage. Housed in its own enclosure is a new Honda fire pump along with several hoses. Only one neighbor is visible and the area is peaceful, free from excessive boat traffic and noise. A great place to enjoy the outdoors no matter what the season. (id:6289)
