3 Bedroom, 1.00 Bathroom,
Single Family

N/A, Windsor, Ontario

If you are an Olde walkerville history buff, this may be the home for you. Built in 1880, the present owner has done many things to update while keeping with the character. The windows were changed in 2012, the roof was done 8 years ago, copper plumbing and wiring, floors have been leveled and changed with the exception of one bedroom. They also installed a new beam through the living room and front bedroom and footings under the support wall of the bedrooms on the north side. The back yard is deep and lovely featuring perennials, decorative trees and a relaxing fish pond. This is a lovely one floor home for starting out or winding down. (id:6289)
