Vacant Land on 45.35 Acres

N/A, Woodside, New Brunswick

You thought that the days of buying land in Southeastern N.B. for less than \$1000.00 per acre were over. Welcome back to 1996. This 45.35 acre lot just outside of Port Elgin PID #70030242 has over 1800 feet of frontage on Highway 15, a road through it from the highway all the way to the back. Is very wet. Possibly good for a cranberry farm or a peat operation. Although there are plenty of homesteads in the area, it's not ideal for a building lot or subdivision. Because Highway 15 is a controlled access highway, any more accesses would have to be approved by the Dept. of transportation and quite unlikely. Call your REALTOR® for more info. (id:6289)
