The lot has been cleared, landscaped, & established with lawn plus drilled well, hydro service, & septic system are installed. Add a couple handy sheds for storage & you've got a head start on your build. There are even building plans available for a thoughtfully designed small home if you'd like to hit the ground running. Watson Lake isn't about swimming laps or reeling in the big one—it's the quiet kind of magic. Think early morning paddles, birdwatching from your deck chair, and ice skating under the winter sun.
