3 Bedroom, 1.00 Bathroom,
Single Family on 0.19 Acres

N/A, 100 Mile House, British Columbia

This sweet little rancher has all the comforts of home wrapped up in a lovely package. It was built in the 1950s, so it has that wonderful vibe of nostalgia, but it was completely renovated in 2019 with a brand new roof just this year. Lets discuss the kitchen. It's big and beautiful and I imagine many feasts being prepared here. The backyard is another favourite- it's fenced and quite private with big, inviting shade trees, a sunny patio, and an incredible garden area that will have you sharing produce with your neighbours all summer long. It's the perfect spot for morning coffee, summer dinners, or laughs around an evening fire. Add the garage/workshop and the fact that you can walk to the shops- it's an easy fit for a first-time buyer or someone ready to downsize without giving up charm. (id:6289)
