4 Bedroom, 3.00 Bathroom,
Single Family

Woodstock - North, Woodstock (woodstock - North), Ontario

Perfect for multi-generational or in-law suite living the home boasts 2 kitchens, multiple entertaining rooms, and separate access points including interior garage access to the lower level which comes complete with bath, bedroom and 2nd kitchen for complete use without stairs. Built by Klingenberg Construction with energy efficiency in mind this large custom backsplit is feature rich with a unique floorplan which is more accustomed to a raised bungalow than a split having the main kitchen on the same level as the 3 bedrooms. Household features include cathedral ceilings, large primary with walk-in closet and ensuite, skylight in the bath, central vac, HRV, main level laundry room, 2 gas fireplaces and smooth surface flooring throughout. The exterior features an inground pool with gas heater, surrounding deck with awning, lots of landscaping, sprinkler system and even a flagpole! Recent updates include kitchen counters, backsplash and flooring (2021), matching SS kitchen appliances and laundry (2022), all 3 bathrooms (2022), upper and lower flooring (2019), water purification system (2019), furnace-a/c-owned HWT (2022), HRV (2025), pool pump (2022), pool heater (2024), newer blinds and freshly painted throughout. Located on a quiet street and across from a community garden the sellers favourite feature of the home is the location, the community

garden turns into the community ice rink during the winter! HVAC, pool and water systems professionally maintained. Access to the rivers' trail is located directly across from the house, best not to wait on this fantastic family home.
