Exquisite custom-built home set on a quarter acre lot, offering nearly 5,000 sq ft of luxurious living space, including a fully finished walkout basement. From the moment you enter, the quality and craftsmanship are evident, with soaring ceilings, elegant wainscoting, French doors, crown moulding, and gleaming hardwood floors throughout the main level. Just off the foyer, a dedicated home office provides a quiet space for work or study. The grand two-storey living and dining area features a cast stone fireplace with a floor-to-ceiling mantle, creating an impressive focal point. The adjacent kitchen is both stylish and a chefs delight, with ample cabinetry, granite countertops, tile backsplash, gas range, island with seating, and a bright breakfast area with sliding doors leading to the upper deck. A cozy family room, powder room, convenient laundry area, and a mudroom with access to the triple car garage complete the main floor. Upstairs, the primary suite is a true retreat, featuring a private balcony overlooking the backyard, a walk-in closet, and a spa-like 5-piece ensuite with double vanity, soaker tub, and separate glass shower. Three additional bedrooms complete the upper level, one with its own ensuite and walk-in closet, and two connected by a shared Jack-and-Jill bathroom, all overlooking the stunning living room below. The walkout basement offers excellent in-law suite potential, complete with a kitchenette/wet bar, large recreation room, bedroom with walk-in closet and ensuite (including jetted

soaker tub and glass shower), home gym or den, and powder room. Step outside to your own private oasis: a glass-paneled deck transitions to a lower patio surrounding the inground pool, all framed by meticulously landscaped gardens.
