Just an hour from Ottawas West End, this custom-built 2021 home offers a rare chance to slow down and enjoy the lifestyle of the Ottawa Valley. Set on a quiet private road with only six residences, it combines privacy with easy access just minutes from Highway 17. Open fields stretch across the front of the property, while the back provides a beautiful waterfront outlook. The main level spans over 2,900 square feet and was thoughtfully designed by its original owner. The primary bedroom includes its own balcony, a spacious dressing room, and a spa-inspired ensuite with a double vanity wet room finished in floor-to-ceiling porcelain tile. At the heart of the home, vaulted ceilings and floor-to-ceiling windows capture uninterrupted water views. Step out to the glass-railed patio to extend your living space outdoors. The chefs kitchen is a true highlight, featuring oversized porcelain tile, a waterfall quartz island with seating, dual refrigerators, premium appliances, a built-in coffee station, and a walk-through pantry that leads to a large laundry suite. The fully finished walkout level adds even more living space with a second family room, wall-to-wall windows, and a covered patio. Three additional bedrooms, a full bathroom, and flexible space for a gym, games room, or in-law suite make this level ideal for multi-generational living or overnight guests. From sunrises over open fields to sunsets across the water, this home was designed to showcase natural beauty

while offering modern comfort. An incredible opportunity to experience the best of Ottawa Valley living. (id:6289)
